

TOOLBOXES & MOUNTING BRACKETS

STEEL & ALUMINUM TOPSIDE TOOLBOXES

A. Steel Topside Toolboxes

- Large 14" tall door opening and the recessed door provide easy access to spacious storage area
- Full length stainless steel continuous hinge on doors offers a sturdy, durable and smooth performance
- Full open door (remove cable and door opens completely)
- Replaceable doors
- Reinforced door backbone strengthens integrity of door and protects latch mechanism
- Rain channel and door gasket keep moisture and dust out
- 16-gauge steel box; 14-gauge steel doors
- Stainless steel folding T-handle with lock for security (two per door on 96")
- Optional trays require no drilling; easy to remove
- White or black powder coat finish
- All mounting hardware included
- Support legs mount directly into bed floor, not into fender
- Thick, 3" wide rubber pad protects truck side rail
- No drilling in side rail; J-bolts fasten under bed lip
- Individually boxed for shipping
- Two Doors

B. Aluminum Topside Toolboxes

- Large 12" tall door opening and the recessed door frame provide easy access to spacious storage area
- Full-length continuous hinge on doors offers a sturdy, durable and smooth performance
- Heavy-duty steel support legs mount directly into bed floor, not into fender
- Contractor grade diamond bright tread aluminum box
- Thick 3" wide rubber pad protects truck side rail
- No drilling in side rail; J-bolts fasten under bed lip
- Stainless steel die cast T-handle compression latch with lock for security
- Full-weather stripping keeps moisture and dust out
- Individually boxed for shipping
- Two Doors

C. Contractor-Style Aluminum Topside Toolboxes

- Slanted double level box designed to match the cab angle.
- Full-length lower compartment provides access for longer items.
- Upper compartment features top-opening doors with gas shocks (one door on 72" box; two doors on 88" & 96" boxes)
- Stainless steel locking T-handles on all doors
- Mounting legs and hardware included for easy installation
- Full weather stripping keeps moisture and dust out
- Individually boxed for shipping

D. Contractor-Style Aluminum Topside Toolboxes with Drawers

- Two Bottom Drawers with Adjustable Dividers
- 100 lb. Rated Drawer Slides
- .063" Thick Aluminum Diamond Tread
- Includes Stainless Steel Locking T-Handles
- Weather Resistant Rain Gutter Design
- 1/2" Thick Gasket System Helps to Seal Out Weather and Road Grime
- Mounting Legs & Hardware Included for Easy Installation
