

## Side Window Deflectors

WeatherTech® Side Window Deflectors offer fresh air enjoyment with an original equipment look, installing within the window channel. They are crafted from the finest 3mm acrylic material available.

Installation is quick and easy, with no exterior tape needed. WeatherTech® Side Window Deflectors are precision-machined to perfectly fit your vehicle. These low profile window deflectors help to reduce wind noise and allow interior heat to escape. Our light tinted Side Window Deflectors are the only deflectors in the world made with a D.O.T. (U.S. Department of Transportation) approved glazing material. Available in light and dark tint.
