ALUMINUM RANCHER

HARD WORKING & GOOD LOOKING

Full aluminum design offers several advantages over standard materials. Aluminum is corrosion resistant, which helps reduce maintenance costs and increases body value at trade-in. Aluminum also eliminates the expense of painting. Finally, aluminum bodies look great wherever you go.

ALUMINUM RANCHER BODY SPECIFICATIONS

MODEL	LENGTH	WIDTH	CA	LONG RAIL SPACING
R08-6X84B-AL	8' 6"	84"	56"	36.7"
